Councilmembers:

Please, please, please, please, please DO NOT encumber Honolulu citizens more with Transit Oriented Developments (TODs)!

TODs will escalate housing prices further, even when likely becoming disastrous failures. TODs and limited parking are a huge danger to businesses.

Please, please, please...OPPOSE any and ALL proposed Transit Oriented Developments.

I have submitted more specific reasoning for my opposition to TODs in emails to councilmembers. Please take those into consideration when voting for these bills.

Sincerely,
Darci Evans
